### About the Supplement ...

The 2010 Supplement incorporates the following elements:

- **Feedback** obtained from sites throughout the United States.
- **Attachment-based research** as it applies to families in early recovery.
- **Recognition that CF! is trauma sensitive** and specific group leader strategies to increase all participants level of safety in the groups.
- **New evaluation and quality assurance instruments** and resources.
- **A Handbook for Foster Parents and Caregivers**, consisting of weekly Take Home Pages caregivers can use during the week to reinforce the concepts and skills children and teens learned in group.
